

Douglaston Garden Club**December Newsletter**

I want to wish you all a Happy, Holy and Healthy Holiday Season. This is the time of the year that we appreciate our families, our neighbors, and our community. I am so proud of how the DGC contributes to this wonderful neighborhood. I thought it would be fun to celebrate our accomplishments with photos of the past several months. Everything we contribute from learning more about gardening with our programs to contributing time and effort to the bake sale or park cleanup make Douglaston a shining star in Queens.
